

- Multi-Purpose
- Effective & Economical
- Non-Caustic
- Phosphate Free
- Biodegradable
- USDA Classifications: A-1, C-1

All Purpose Purple is a concentrated, multi-purpose, water-based cleaner and degreaser. Use this product as a fast acting and economical way to clean machinery, equipment, tires, engines, upholstery, tile or concrete floors, and other tough cleaning jobs.

Applications & Uses	Dilutions	Directions
Shop Floors Tile, Painted and Unpainted Concrete	Full Strength 1:1 8:1 20:1	Use full strength or dilute 1:1 to "Shock Clean" floor surfaces. For regular maintenance cleaning, dilute 8:1. For light maintenance cleaning, dilute 20:1. Dilute product, apply to floor surface, allow several minutes contact time, scrub floors in usual manner, and rinse clean with water.
Agitation Machinery	20:1	Operate machinery according to the manufacturer's directions for use.
Engines, Chassis, Auto Parts, Tools	5:1	Dilute product, apply to surface, allow several minutes contact time, brush, and wipe or rinse clean with water.
Painted Metal	10:1	Dilute product, apply to surface, and wipe or rinse clean with water.
Unpainted Machinery and Equipment	5:1	Dilute product, apply to surface, allow several minutes contact time, brush, and wipe or rinse clean with water.
Pressure Washing	3:1 10:1	As a pretreatment, dilute product 3:1, apply to surface, allow 3 minutes contact time, and high-pressure rinse clean. As a pressure wash, dilute product 10:1, and operate machinery according to the manufacturer's directions for use.
Steam Cleaning	20:1	Operate machinery according to the manufacturer's directions for use.
Tires	5:1	Dilute product, apply to tire surface, allow 3 minutes contact time, brush, and rinse clean with water.
Plastic or Vinyl	10:1	Dilute product, apply to surface, and wipe or rinse clean with water.
Carpet or Cloth	8:1	(Test in an inconspicuous area before full application.) Dilute product, apply to surface, allow 3 minutes contact time, brush, or blot with clean cloth, and rinse clean with water. Repeat if necessary.

Suggested Industry Applications:

Aeronautical	Machine Shops	Quick-Lube Facilities
Automotive Dealerships	Marine	Rail
Construction	Mining	Service Stations
Farming Equipment	Oil Refineries	Shipping
Fleet Operations	Printing	Steel Fabrication
Highway Maintenance	Pulp & Paper Production	Waste Management

Specifications:

Appearance	Clear, purple liquid
Odor	Mild, grape odor
pH	> 12.5
Flashpoint	> 200°F
%VOC	Concentrate <4%
DOT Label	None

General Cautions For Use:

Use this product on painted or glass surfaces in diluted form only and rinse thoroughly. As with all cleaning agents, keep this product out of the reach of children. As with most cleaning agents, this product should not be allowed to dry on surfaces. Rinse thoroughly. Dilutions are recommendations only, as you become familiar with the product's performance, adjust accordingly.

Container Sizes:

4/1	Gallon Case
5	Gallon Pail
55	Gallon Drum
275	Gallon Tote
